

‘Looking Out’
OPEN DAY
Sat 18 May 2024

• THE OLD • FIRE STATION

Dear

You may know the Old Fire Station – it’s been a community centre since 1982. We are launching a project called ‘Looking Out’ to discover more and reconnect with people that have worked and played in the building over the years.

*Perhaps you remember the Old Fire Station from when you were younger, or maybe you’ve always walked past but never been in. We want to gather everyone’s memories and experiences.**

On Saturday 18 May we’re holding an Open Day, 11.30am–3pm. There will be free tours, tunes, activities and refreshments for all ages.

We’d love to see you there!

****If you have any photos taken at the Old Fire Station please bring them along***
