

'Looking Out'

# DROP-IN SESSIONS

Fri 5 & Thu 18 July 2024

All welcome!

# • THE OLD • FIRE STATION

Photo: The Rio Cinema Archive

Dear

*Did you know that the Old Fire Station N16 has been a community centre since 1982, and that it became one through local campaigning? Some of the images on this postcard are from then and were recently shared by locals as part of our 'Looking Out' project.*

*If you'd like to find out what's happening here now, and/or share your own memories, then we'd love to see you at our **Summer Drop-In sessions\***:*

***Fri 5 July, 1–3pm & Thurs 18 July, 6–8pm***

*..... Free and delicious light refreshments included .....*

*Meet our community producer and help shape our upcoming programme of events. Together we will be celebrating the building's past, present and future as a place of community, health, activism, education and resilience.*

*\*Please let us know you're coming: [lookingout.community@gmail.com](mailto:lookingout.community@gmail.com)*

'Looking Out' is funded by Historic England Everyday Heritage grant celebrating Working Class Histories
